

International Conference on Solid State Crystals

Material Science and Applications

and 7th Polish Conference on Crystal Growth

General Meeting of Polish Society for Crystal Growth

May 16÷20, 2004, Kościelisko, Zakopane, POLAND

Organizers:

Polish Society for Crystal Growth

in co-operation with:

Ministry of Scientific Research and Information Technology (Poland)

Institute of Electronic Materials Technology (Poland)

High Pressure Research Center, Polish Academy of Sciences (Poland)

Umicore (Belgium)

Institute of Physics, Technical University of Lodz (Poland)

Committee of Crystallography, Polish Academy of Sciences (Poland)

Silicon CEMAT (Poland)

Topics:

- Crystal growth
- Characterization and applications of solid state materials
- Nanostructured materials and films
- Opto- and micro-electronic devices

Papers will be published in:

Crystal Research and Technology and Opto-Electronic Review

Preliminary list of invited speakers:

Robert F. Sekerka, President of the Internat. Organiz. for Crystal Growth
Carnegie Mellon University, Pittsburgh, USA

Maciej Bugajski, Institute of Electron Technology, Warsaw, Poland

Sadik Dost, University of Victoria, Victoria, Canada

Lorenzo Faraone, University of Western Australia, Crawley, Australia

Grzegorz Gładyszewski, Technical University of Lublin, Lublin, Poland

Izabella Grzegory, High Pressure Research Center, PAsc., Warsaw, Poland

Detlef Hommel, University Bremen, Bremen, Germany

Hideo Hosono, Tokyo Institute of Technology, Yokohama, Japan

Andrzej Jeleński, Institute of Electronic Materials Technology, Warsaw, Poland

Koichi Kakimoto, Kyushu-University, Kasuga, Japan

Janusz Karpiński, Lab. for Solid State Physics, ETH Zurich, Switzerland

Zuzanna Liliental, Lawrence Berkeley National Laboratory, Berkeley, USA

Wolfgang Neumann, Humbolt Universität in Berlin, Germany

Kimmo Saarinen, Helsinki University of Technology, Helsinki, Finland

Gottfried Strasser, Mikrostrukturzentrum TU Wien, Austria

Isao Tanaka, University of Yamanashi, Yamanashi, Japan

Masami Tatsumi, Sumitomo Electric Industries, LTD, Itami, Japan

Mauro Tonelli, Pisa University, Pisa, Italy

Akira Yoshikawa, Tohoku University, Sendai, Japan

Zbigniew Żytkiewicz, Institute of Physics, PAsc., Warsaw, Poland

Abstract and Registration Deadline: January 15, 2004
